SATYA INVITES YOU CORPORATE INDUSTRIES/ENTERPRISES UNDER CSR

An essential component of our corporate responsibility is to care for the community. We endeavor to make a positive contribution to the underprivileged communities by supporting a wide range of socio-economic, educational and health initiatives. Many of the community projects and programs are driven by active participation from our employees.

"Corporate social responsibility is the continuing commitment by business to behave ethically and contribute to economic development while improving the quality of life of the workforce and their families as well as of the local community and society at large."

SATYA invites you to perform the social welfare activity realizing "Corporate Social Responsibilities". Now we have come at your doorstep to enable you to serve the society in a better way and up to your satisfaction and expectations under the said programme.

SATYA realizes the needs with regard to social responsibilities of corporate sector where they sought to perform welfare activities in a genuine and systematic manner to achieve its objectives of bearing some responsibilities towards the society in which they run. We are confident enough in performing the social work action as an Associate, Partner or Implementing agencies realizing the term "Helping hand" for the noble cause & purpose.

SATYA has observed that presently most of the corporate sectors performing above task in a manner like: direct donation in temples, distribution of things, establishment of water huts etc. But in fact it has been observed that the fund collected as donation are not being used properly intentionally or innocently as to fulfill its objective which were basic to donations, reasons may be anything like improper management, etc. or other

But if this is implemented through an expert social welfare organization, then the donor can not only ensure proper and efficient utilization of his donations but also in the right directions where it is required the most.

The expertise of organization shall help to maximizing coverage- beneficiaries and geographical area; scope- covering a variety of activities, recognition in minimum resources- manpower, budget, time, etc.
