

LIVELIHOOD GENERATION

EMI-RMoLtrainingTeetaria

Satya organized **Entrepreneurship development training** programme in the panchayat for poor, literate-illiterate unemployed youth under the aegis of Rajasthan mission on livelihood (RMol) with the support of Entrepreneurship Development and Management Institute (EMI), Jaipur. A 45-day technical practical hands-on training on “Repair and Maintenance of Domestic Electrical Appliances” was organized and behavioral, business and enterprise management inputs were also given.

Apart from this activity, “Satya Institute of social work Management & Research” has developed study material- inputs on behavioral, business and enterprise management especially designed and prepared for such students/Trainees.

In-house Vocational Training Program

Satya organized a camp vocational training program in the village to the unemployed youth on ‘household wiring’ for 30 days in Teetaria Panchayat village under its ‘Ek Gram Ek Sanstha’ program.

EMI-RMoLTrainingKapurawala

Self-Employment Training: Making people stand Independent

Skill development training: women empowerment

A-45 day short term skill development training was organized also in Kapurawala panchayat village on “Cutting & Tailoring” to the poor and unemployed women living in the village with an objective of livelihood generation and women empowerment under the aegis of Rajasthan mission on livelihood (RMoL) with the support of Entrepreneurship Development and Management Institute (EMI), Jaipur.

In-house Vocational Training Program
